Kathy. Two other things: (1) will you ask Betsy Bradley to inform Dr. Goodno that we will need to re-schedule his deposition? (2) I still need to get the audio recording from the grievance hearing. Can you please send it out to have it duplicated and send me the bill? I think we may need to have the hearing transcribed. Would you all agree to split the cost of the transcript three ways, with your client and Kathryn's client? Thanks, Dave.

As tired as I am I am disappointed that we won't be able to power through. David, my guess is that Irani is just going to want to make one trip and I will lose if I try to force his deposition as scheduled. Let me know if my assumption is wrong.

I am going to be in agreement to extending discovery for what we have already discussed and for current discovery but not opening up discovery in general. I will not agree to that.

Kathryn, [REDACTED] We will need to apprise the court of something before June 8 for sure. I know that is more than a month away so it shouldn't be a problem I wouldn't think.

I am out on Wednesday for one of my mediations.  
Kathy
